Dear Fulton County Schools Students, Parents, and Guardians:

Hapeville Charter Schools (HCS) proudly offers a tuition-free public high school option for rising 9<sup>th</sup> through 12<sup>th</sup> grade students who reside within the Fulton County Schools attendance zone. A Fulton County startup charter school, HCS offers a college preparatory offering at the high school that increases our students' ability to earn postsecondary credits as part of the State Department of Education Dual Enrollment initiative. HCS has a small safe school environment, which provides for individual student achievement and success. HCS offers smaller class sizes that allow our teams to focus on the individual student. HCS students have the opportunity to graduate from high school with a college prep diploma **AND** complete postsecondary coursework towards certification and degrees in partnership with Atlanta Technical College and Georgia Military College. HCS offers these college classes on campus as well as provides transportation to the college free of charge.
